FRIENDS OF VICTORIA PARK PRIMARY SCHOOL

February 4th, 2024

CHALLENGE 24

This coming week you will receive a Challenge24 flyer in your child's school bag. Last year this was a really popular fundraiser where the children took the reins!

Over the February half term we are offering children the chance to raise funds for the PTFA themselves. With so many events run by the adults and some only held for the adults it may feel exclusive for children who want to get stuck in. So this half term, roll up those sleeves and earn 24p or £24 (or anything really - every penny counts)! Wash a car, take out the recycling or do a little garden digging.

We will collect the funds raised in playground ONE on Tuesday 20th after half term. Every child will receive a Contributed Certificate - no matter what their involvement. This challenge is to encourage children to feel empowered, contribution is not expected.

FOOD FESTIVAL

With such a successful Food Festival pilot event last year it's making a return on Saturday 9th March from 12 to 2pm!

We are lucky to have Josh Eggleton return to make us some more amazing food, Busy V Bakery will be back, the amazingly popular Bake Off returns (with 2x entry categories again), this year we'll also be featuring a Champagne Flight Bar and we're hoping to have a live cooking session!

In addition, we will have a savoury sharer stall full of donated dishes from parents where you can buy a plate and fill it!

BRISTOL 10K

This year the Bristol 10k is on the 19th May, please check our forthcoming newsletter on how to join the PTFA running team. If you're interested in doing the family run, please get in touch.
